Introduction

Effective January 16, 2018, the Third Circuit Court of Appeals has transitioned to the Next Generation of Case Management Electronic Case Filing (NextGen CM/ECF) system. These instructions will assist you in upgrading your PACER account, linking your upgraded PACER account with your existing CM/ECF account, and registering as a new electronic filer.

Confirmation of an Upgraded PACER Account

Log in to PACER and select **Manage My Account**. Your **Account Type** will advise if you have an upgraded or legacy account.

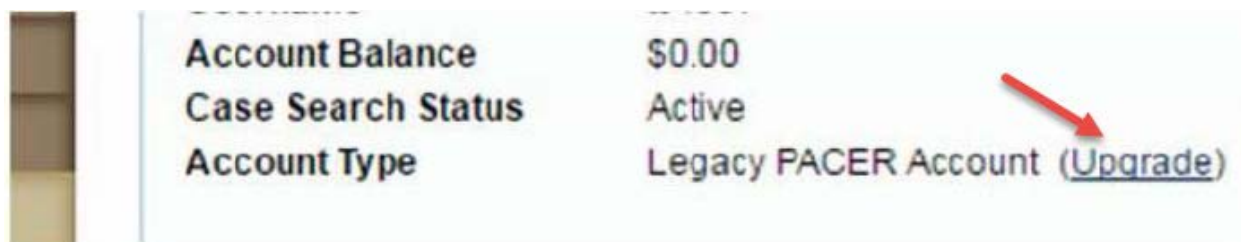

The screenshot shows the PACER website interface. At the top, there is a navigation bar with links: "Manage My Account", "Manage My Appellate Filer Account", and "Case Search Sign In". Below this is a "Training" banner for "COURT ELECTRONIC RECORDS" with the "UNITED STATES COURTS" logo. A secondary navigation bar includes "D A CASE", "E-FILE", "QUICK LINKS", "HELP", "CONTACT US", "Browse Aloud", and "RSS". The main content area is titled "MANAGE MY ACCOUNT" and displays a welcome message for "ThirdCirc PublicUser" with a "Logout" button. A table of account details is shown below:

Account Number	7033143
Username	3CircPubUser
Account Balance	\$0.00
Case Search Status	Active
Account Type	Upgraded PACER Account

Upgrading Your PACER Account

If you log in to PACER – **Manage My Account** and your **Account Type** indicates a legacy account, you should select the **Upgrade** link associated with your account type. Follow the instructions provided by PACER to complete the upgrade process. This [video](#) also provides instructions on how to upgrade your PACER account.

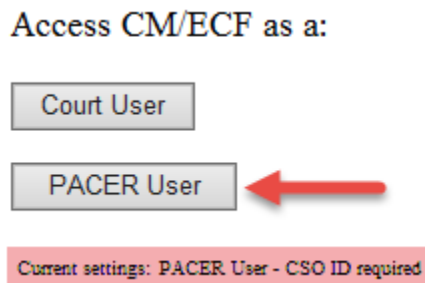

This is a close-up view of the account details table from the previous screenshot. The 'Account Type' row shows "Legacy PACER Account" followed by a blue underlined link labeled "(Upgrade)". A red arrow points to this link.

Account Balance	\$0.00
Case Search Status	Active
Account Type	Legacy PACER Account (Upgrade)

Linking Accounts

After upgrading your PACER account you should link that account with your existing CM/ECF account using the following instructions:

1. Make sure to log out of PACER completely and close your browser. Contract court reporters should proceed to step 4.
2. Open your browser and access the [Toggle Utility](#).
3. Select **PACER User** as your current settings.

As an official court employed court reporter, you will likely be connected to the court's network, therefore using the toggle utility is required each time you electronically file. Saving the toggle utility URL as a bookmark is recommended for future use. This is **not** required for contract court reporters outside of the DCN.

4. Using a new tab in the same browser, access [PACER](#), then select **Court Links → Third Circuit – NextGen**.

5. Select **CM/ECF Document Filing System** link.
6. Log in with your upgraded PACER account credentials.
7. Select **Link my filer account to my PACER account**.¹

¹ **Search for case information** is for only PACER searching. **Request permission to file** is used for only those who do not have an existing Third Circuit CM/ECF public filer account.

Attention

You logged in to the CM/ECF Document Filing System with a PACER account that does not have e-filing privileges. Please choose one of the following options to continue.

If you have a CM/ECF account to file in this court: [Link my filer account to my PACER account](#)

If you only view case information (you will not be able to file): [Search for case information](#)

If you are a new filer in this court: [Request permission to file](#)

You will see a pop-up to confirm that you want to link your PACER account to your old CM/ECF e-filing account. Click OK to link the accounts (or click Cancel if the names don't match).
