ORDER AMENDING OPINION

At the direction of the Court, the opinion filed September 18, 2007 is amended. Insofar as an error exists in the numbering sequence of the sections of the opinion, the section formerly designated I. 4 shall be redesignated as I. 3; the section formerly designated as III shall be redesignated as II; and the section formerly designated as IV shall be redesignated as III.

The second to the last sentence in the first full paragraph on page 5 is amended as follows:

Even though the work environment she left was found to be “hostile” within the meaning of Title VII, the jury quite properly could have concluded that she was terminated because she was absent from work and failed to notify anyone of her absence, not because of age bias.

For the Court,
